The Muslim World Book Review

PUBLISHED BY
THE ISLAMIC FOUNDATION
The Muslim World Book Review is a quarterly publication of the Islamic Foundation, Markfield, Leicestershire, UK. Its four issues are published in Autumn, Winter, Spring and Summer.

This journal aims to present the Muslim viewpoint on books and issues which concern Islam and Muslims. At a time of near explosion in the growth of interest in these areas, accompanied by a disappointing level and quality of information, this review journal aspires to inform and stimulate lay readers and scholars alike, through detailed critical reviews, brief introductions and select bibliographies on recent and contemporary publications.

The opinions expressed in The Muslim World Book Review are the writers' own. They do not represent the views of the Islamic Foundation.
