

Table of contents

<i>Part I.</i>	DAC Peer Review of Ireland	7
<i>Part II.</i>	DAC Peer Review of Austria	109
<i>Part III.</i>	DAC Peer Review of Sweden	221

Table of contents

The DAC's main findings and recommendations.....	11
Secretariat report.....	24

Chapter 1

Strategic foundations and new orientations

The foundations of Ireland's development co-operation.....	24
Aims, objectives and priorities of Ireland's development assistance.....	25
The 2006 White Paper on Irish Aid	25
Ireland in the global development co-operation system.....	28
Ireland's structure for delivering the Irish Aid programme	29
Current initiatives.....	29
Relocation of Irish Aid and reorganisation	30
Public Awareness	31
Trends in public support for aid.....	31
Strategy for building public awareness.....	31
Future considerations.....	33

Chapter 2

Policy coherence for development

Commitment to policy coherence for development	34
A new institutional mechanism: the Inter-Departmental Committee on Development	35
Some examples of policy coherence	35
Monitoring, analysis and reporting on policy coherence for development	36
Future considerations	37

Chapter 3

ODA volume, channels and allocation

Overall official development assistance.....	38
Aid allocations	39
Bilateral aid	40
Concentration on the poorest countries in sub-Saharan Africa	40
Priority given to education, HIV/AIDS , governance and humanitarian aid	41
Agriculture and the private sector are less well funded.....	42
Approaches to gender equality, environment and climate change	42
Aid to non-governmental organisations.....	44
Multilateral aid	45
Approach to multilateral assistance.....	45
Future considerations.....	47

Chapter 4 **Organisation and management**

The relocation to Limerick.....	48
A more coherent structure	49
Meeting the challenges of the reorganisation.....	51
Strategic management, review and approval, and overall coherence	51
Results-based and knowledge management	51
Staffing levels and competencies.....	52
Training	53
Strengthening capacity for analysis and research	54
Evaluation and audit.....	54
Evaluation.....	55
Audits.....	56
Approach to managing civil society organisations.....	56
Future considerations.....	58

Chapter 5 **Aid effectiveness**

Political commitment and overall approach to aid effectiveness	60
Aid effectiveness in practice.....	61
Ownership and alignment.....	61
Harmonisation	62
Working towards results and mutual accountability.....	63
Awareness of aid effectiveness	64
Future considerations.....	65

Chapter 6 **Special issues**

Capacity development	66
Policy and strategic framework.....	66
Capacity building at country level	66
Capacity development for civil society organisations.....	67
Capacity development through fellowship training and higher education institutions.....	68
Staffing and management for capacity development.....	69
Governance, accountability and anti-corruption	70
Policy and strategic framework	70
Official development assistance for governance	71
Irish Aid's approach in programme countries.....	72
Irish Aid's global and regional governance work.....	73
Staffing and management for governance, anti-corruption and accountability.....	74
Future considerations.....	74

Table of contents

DAC's main findings and recommendations.....	116
--	-----

Secretariat report.....	128
-------------------------	-----

Chapter 1 **Strategic orientations**

The foundations of Austrian development co-operation.....	128
Development co-operation: in need of political support	129
The challenges of a fragmented institutional framework.....	130
Fine-tuning the division of labour between the Ministry of Foreign Affairs and ADA	131
A rolling three-year strategic framework for development policy	132
Aims and priorities of Austrian development co-operation	132
Commitment to development co-operation at the international level	135
Public support for official development assistance	136
Increasing critical public awareness of development	136
Future considerations	137

Chapter 2 **Policy coherence for development**

The need for conceptual clarity	139
Growing government and public awareness of policy coherence for development	140
The need to address policy coherence for development systematically.....	141
Achieving policy coherence between environment and development.....	143
Future considerations	144

Chapter 3 **ODA volume, channels and allocation**

Overall official development assistance: meeting aid commitments after debt relief	145
Austria's aid is fragmented	147
The small share of ODA managed by the Ministry of Foreign Affairs.....	148
Core bilateral ODA: ADA's operational budget	149
Achieving greater aid concentration at ADA	149
Geographic allocation: need to increase aid and to increase concentration.....	150
Sector allocation	151
Multilateral ODA: catching up with average DAC flows to the UN	152
NGOs : a significant channel for ADA's aid	152
Future considerations	153

Chapter 4 **Organisation and management**

Organisational reform in 2004: emerging systemic cracks	155
The urgent need for a focus on results and accountability in programming	158
The human resources challenge.....	161
An evolving relationship with Austrian NGOs	162
Future considerations.....	163

Chapter 5 **Aid effectiveness**

Commitment to the Paris Declaration and the Accra Agenda for Action	164
Particular challenges and dilemmas for Austria in implementing the agenda.....	165
Developing a strategy to complement the action plan.....	166
Supporting effectiveness of multilateral aid.....	166
Progress and challenges at the country level	167
Austria's development co-operation: promoting ownership.....	167
Alignment and harmonisation: progress and challenges.....	168
The challenges of delivering results and mutual accountability.....	170
Future considerations	171

Chapter 6 **Special issues**

Capacity development.....	172
The need for clear guidance.....	172
Capacity development in practice.....	174
Environment and climate change	175
Austria's legal commitments to environment and climate change.....	176
Environment and climate change in practice.....	177
Staffing, management, and division of labour for environment and climate change	180
Future considerations	180
Capacity development	180
Environment and climate change.....	181

Box 12.	Implementing the Paris Declaration in Ethiopia.....	203

Table of contents

The DAC'S main findings and recommendations.....	227
--	-----

Secretariat report.....	240
-------------------------	-----

Chapter 1 Strategic orientations

Sweden: an international leader	240
The foundations of Swedish development co-operation	240
A well-established policy basis	240
A need to reduce complexity	241
Sweden's development co-operation system's reform	243
A more strategic approach to bilateral aid	244
More considered support to multilateral organisations.....	246
Consolidating public support.....	247
Future considerations	248

Chapter 2 Policy coherence for development

The foundations of policy coherence for development.....	249
Policy coherence for development in reality: a story of mixed success.....	249
Trade and policy coherence for development.....	249
The challenges of implementing policy coherence for development more widely	251
A renewed Policy for Global Development	252
Improving the monitoring and reporting framework.....	253
Recognising the importance of practical implementation and co-ordination mechanisms	255
Future considerations.....	256

Chapter 3 Aid volume, channels and allocations

Overall official development assistance.....	258
Continued high share of GNI to development co-operation.....	258
The budget for Swedish development co-operation	258
Bilateral co-operation: making Swedish development co-operation more focused	259
Modalities	259
Geographical breakdown	259
Sector breakdown	261
Swedish development co-operation and civil society	262
Multilateral aid: a significant part of Swedish ODA.....	263
Future considerations	265

Chapter 4 **Organisation and management**

Sweden's organisational basis for development co-operation	266
Recent organisational changes	266
The stimuli for change	266
The MFA's new organisational structure	267
Organisational changes at Sida	269
Changes at field level	271
Recent process and management changes	272
Changes to bilateral programme management processes	272
The shift to results-based management	273
Changes to Sweden's evaluation functions	275
People: at the heart of implementing change	277
Future considerations	278

Chapter 5 **Aid effectiveness**

High commitment to the aid effectiveness agenda	279
Aid effectiveness in practice	280
Committed to country ownership and making progress on alignment	281
Commitment to donor harmonisation but with scope for further progress	284
Managing for development results and mutual accountability	285
Future considerations	285

Chapter 6 **Special issues**

Capacity development	287
Sweden's policy and guidance on capacity development	287
Capacity development in practice	288
Closing the gaps between policy and practice	289
Support to capacity development after Accra	290
Environment and climate change	291
Sweden's commitments to environment and climate change	291
Policy, methods and tools	292
Staffing, management and division of labour	295
Financial support to the environment and climate change	296
Future considerations	297

Annex A Progress since the 2005 DAC Peer Review Recommendations	299
