

Table of contents

<i>Pari I.</i>	2009 OECD Report on Division of Labour	7
<i>Pari II.</i>	DAC Peer Review of Italy	59
<i>Pari III.</i>	DAC Peer Review of Switzerland	173

Table of contents

Acronyms and abbreviations	11
---	----

Chapter 1 **Key messages**

Objectives.	12
Recent trends.	13
Possible remedies.	13

Chapter 2 **Policy context and objectives**

Policy context and objectives.	14
-------------------------------------	----

Chapter 3 **Stylised picture of donors' aid allocations**

Key aid metric: Country programmable aid	16
Micro-aid "noise" adjustment	16
Global aid allocations.	17
Bilateral allocations.	17
Multilateral allocations	18

Chapter 4 **Introducing fragmentation and concentration measures**

Recipient view: Donors' relative presence in-country	20
Proposing concentration ratios ("narrow" and "broad" definition).	22
Difference from last year's report	22
Proposing a fragmentation ratio (recipient point of view).	23
Concentration of bilateral donors	24
Concentration of multilateral agencies	27
Significance of priority countries	28

Chapter 5 **Change in composition of partnerships since 2004**

Donors' perspective.	31
Partner countries' perspective.	31

Chapter 6 **Possible remedies: Options for rationalisation**

Option 2: Redistributing within donors' portfolios	34
Option 3: Redistributing within recipient country	35

Annex A	List of donors	37
Annex B	Trend in CPA over the past five years	38
	Bilateral CPA	38
	Multilateral CPA	40
Annex C	Applying a threshold	41
Annex D	Bilateral and multilateral aid allocations	43
Annex E	Multilateral concentration ratios	45
Annex F	Detailed results of the options	46
Annex G	Matrix of individual donor-partner country relations	48
	Notes and bibliography	58

Table of contents

The DAC's main findings and recommendations.....	66
---	-----------

Secretariat report.....	78
--------------------------------	-----------

Chapter 1 **Strategic orientations**

Legal and political foundations.....	78
Political support and reform	79
Policy framework for Italian co-operation.....	80
Objectives of Italian co-operation	81
A defined set of priority countries.....	81
Sector priorities.....	82
Italy's support to the multilateral system	85
Public awareness and education.....	86
Trends in public support and awareness of Italian aid.....	86
Strategy to build public awareness	86
Future considerations.....	87

Chapter 2 **Policy coherence for development**

The three building blocks in Italy.....	89
Political commitment and awareness.....	89
Policy co-ordination mechanisms.....	91
Monitoring, analysis and reporting systems	93
Future considerations	94

Chapter 3 **ODA volume, channels and allocations**

Overall official development assistance.....	95
Italy falls short of meeting its international aid commitments	95
Italy's aid budgeting process	96
Composition of Italian ODA	97
Bilateral aid	97
Geographical distribution: Concentrating on fewer countries.....	98
Sectoral distribution.....	99
Multilateral ODA	100
NGOs.....	102
Future considerations.....	103

Chapter 4

Organisation and management

Institutional framework of Italian co-operation	104
Ministry of Foreign Affairs	104
Ministry of Economy and Finance	106
Other government institutions	107
Decentralised co-operation	107
Management challenges: Organisational structure and human resources	107
Non-governmental actors	110
Towards the effective implementation of Italian co-operation	111
Managing country offices	111
Implementing country programmes	112
Headquarters' role in implementing development programmes	113
The challenge of becoming a results-focused learning institution	114
Future considerations	115

Chapter 5

Aid effectiveness

Strengthening awareness and commitment to aid effectiveness	116
Italy's <i>Action Plan on Aid Effectiveness</i>	117
Italy's performance against the Paris Declaration indicators	119
Making aid more effective at the country level	120
Ownership and harmonisation: Becoming more systematic	121
From alignment to priorities to better use of partner country systems	123
Future considerations	125

Chapter 6

Special issues

Capacity development	126
Italian technical co-operation	126
Expertise in PIUs	127
Training	127
Triangular co-operation	127
A promising way forward: Developing a concept note on capacity development	127
Agriculture, high food prices and donor responses	128
Italian leadership at the global level	128
Italy's investment in agriculture	129
Building on bilateral experience	129
Working with multilateral organisations	130
Italy's knowledge network in agriculture	132
Future considerations	132

Annex A Progress since the 2004 DAC Peer Review recommendations	134
Annex B OECD DAC Standard Suite of Tables	137
Annex C Italy and the Good Humanitarian Donorship Initiative	144
Annex D Field visit report from Lebanon	153

Description of key terms.....	162
Notes.....	164
Bibliography.....	168

Box 9.	Italian assistance to Palestinian refugees: A considered and balanced approach	155
Box 10.	The ROSS programme: Evolving from emergency to development.....	159

Table of contents

The DAC's main findings and recommendations	181
--	------------

Secretariat report.....	194
--------------------------------	------------

Chapter 1 **Strategic orientations**

Strategic foundations of Switzerland's development co-operation	194
Legal foundations for Switzerland's development co-operation	194
Switzerland's institutional framework for development co-operation.....	195
Swiss strategic framework for development co-operation.....	197
Steps towards a strategic, unified approach.....	197
Confirm poverty reduction as the overarching objective for Switzerland's aid programme	199
Streamline themes within and across institutions.....	199
Further integrate cross-cutting issues within the aid programme	201
Strengthen the strategic vision based on Swiss added value	202
Communicating and buiding public awareness	203
Strengthen public and political support to development co-operation.....	203
Maintain a crucial focus on communicating results.....	204
Future considerations.....	204

Chapter 2 **Policy coherence for development**

Normative and institutional frameworks	206
Political commitment and vision, but no binding framework.....	206
Policy progress: trade, taxation and recovery of stolen assets.....	208
Policy co-ordination mechanisms.....	209
The need to use mechanisms more effectively to implement the policy coherence vision	209
Results monitoring of policy coherence for development: room for improvement.....	211
The example of migration	212
Increase the focus on the development opportunities of migration	212
Ensure that operational co-ordination is backed up by high-level arbitration	213
A need for more systematic monitoring, analysis and reporting	214
Future considerations.....	214

Chapter 3 **Aid volume, channels and allocations**

ODA volume.....	215
ODA increases: the challenge to stay on track	215
An ODA increase based on adjustments in reporting – but a drop in programmable aid.....	216
Predictability through multi-year frameworks for ODA.....	218
A strategic use of resources	218
Allocation of bilateral development assistance.....	218

Geographic allocation: ensuring concentration.....	219
Balancing approaches to low- and middle-income counties	221
A better concentration on fewer themes	221
Aid to and through non-governmental organisations.....	221
Multilateral assistance.....	222
Future considerations.....	223

Chapter 4 **Organisation and management**

Organisation.....	224
Building an effective aid programme despite a dual institutional structure	224
SDC and SECO institutional frameworks.....	225
Further decentralisation	228
Strategic, results-based management	229
Reinforcing the strategic budgetary and programming approach.....	229
Standardising corporate business processes for monitoring and reporting.....	230
Assessing the performance of the aid programme.....	230
Managing knowledge.....	231
Skills and human resource capacity.....	232
Institutional partnerships.....	233
Engaging further with Swiss institutional partners.....	233
The need for a strategic, standardised approach to NGOs	234
Future considerations.....	235

Chapter 5 **Aid effectiveness**

Active engagement in promoting effectiveness.....	236
High-level commitment.....	236
Steps towards aid effectiveness	236
Aid effectiveness in fragile states	238
Progress and challenges at country level	239
Ownership and alignment.....	239
Harmonisation.....	242
Managing for results and mutual accountability.....	243
Future considerations.....	243

Chapter 6 **Special issues**

Capacity development.....	245
Strategic orientation : "help for self-help".....	245
Definition and concept.....	246
Practical approach.....	246
Institutional set-up and staff resources	249
Environment and climate change.....	249
A legal framework based on sustainability, and a strategic shift towards climate change	250
SDC and SECO's operational approaches.....	250
Mainstreaming and coherence	253
Financing and statistical reporting.....	255
Staffing, management and division of labour.....	256
Future considerations.....	257

Annex A Progress since the 2005 Peer Review recommendations.....	259
Annex B OECD DAC Standard Suite of Tables	263
Annex C Switzerland and the Good Humanitarian Donorship Initiative.....	270
Annex D Field visit report Albania	280
Annex E Field visit report Nicaragua	289
Description of key terms.....	298
Notes.....	300
Bibliography.....	303
